

Make the most of your membership inside and outside the fitness center with an online account.

With our new member portal, Club Automation, you can quickly check into the fitness center, register for classes, book personal training sessions and sign up for events.

How do I get started?

1 Create an account (required)

- Visit <https://gettyfitness.clubautomation.com/>
- Select “Access My Account” and then select “Register Now”.
- Enter information on the left *Create an Account* side. Be sure to use your work email when setting up your account. Select “Next”.

2 Create your own profile.

- Enter your personal information, emergency contact info, etc.
- Create your account **using your Getty Email** and enter a password.
- Read the HealthFitness liability waiver and E-Sign to agree to the terms.
- Agree to the membership terms and select “Create Account”.
- Upon completion, you will be re-directed to the Member Portal and ready to log in

You will receive an email receipt confirming your membership enrollment!

The Fitness Center is now open to all employees (vaccinated *only*, proof may be requested) working onsite.

You will still need to check-in at the Fitness Center's front desk using your Getty employee ID in the "Check-in Member" field

Reservations are required at this time to help us track usage.

Masks are required for everyone inside the Fitness Center at all times (except while showering).
